MG2812-T Transportable MiniGASS Discontinuation

Dear Valued Customer,

This letter serves to inform you of the discontinuation of a product you previously purchased from Perma Pure. The part number MG-2812T (Transportable MiniGASS) will be discontinued immediately. We understand that the discontinuation of any product can be disruptive to your business.

We are happy to inform you that the replacement Perma Pure Nafion™ dryers and elements, ammonia scrubber media, and filter and filter elements are still available for the preventative and on-going maintenance of your existing MG-2812T.

There is no direct replacement for this part. Please contact your Perma Pure Sales Representative or orders@permapure.com with any additional questions regarding this change.
